(as of 10/25/13)

Definitions Used:

***** this is important – please read *****

Nationally Prominent Team - Qualified for Nationals often during the selected time period.

Regionally Prominent Team - Well known in their region and often lost to the region's Nationally Prominent teams in the finals at Regionals during the selected time period.

Notable Player - Played two or more years during the selected time period, usually played every game, and had a big impact on the outcome of most games.

Limit of 12 players for each team per time period.
