GUIDELINES FOR QUALIFYING TO BE ON ROSTER WHEN NOT PLAYING AT NATIONALS:

1. If a person played on the team at Sectionals and Regionals and attended Nationals with the team but did not play due to any of the following reasons they are considered to be on the roster that year:
 - a. Injury
 - b. Pregnancy
2. If a person played on the team at Sectionals and attended Regionals and Nationals with the team but did not play due to any of the following reasons they are considered to be on the roster that year:
 - a. Injury
 - b. Pregnancy
3. If a person did not play at Sectionals, Regionals or Nationals, they would only be considered on the roster if they were officially listed on the team roster for the USA ULTIMATE (UPA) Championship Series, attended Sectionals, Regionals and Nationals with the team, and the team captain approved their inclusion. An exception would be made to the requirement to attend Regionals (if remote) and Nationals if the person's doctor said they should not travel.

Note: The above criteria are the only exceptions for being considered on the roster if a player did not play at Nationals.
