**GUIDELINES FOR QUALIFYING TO BE ON ROSTER WHEN NOT PLAYING AT NATIONALS:**

1. If a person played on the team at Sectionals and Regionals and attended Nationals with the team but did not play due to any of the following reasons they are considered to be on the roster that year:
  - a. Injury
  - b. Pregnancy
2. If a person played on the team at Sectionals and attended Regionals and Nationals with the team but did not play due to any of the following reasons they are considered to be on the roster that year:
  - a. Injury
  - b. Pregnancy
3. If a person did not play at Sectionals, Regionals or Nationals, they would only be considered on the roster if they were officially listed on the team roster for the USA ULTIMATE Championship Series, attended Sectionals, Regionals and Nationals with the team, and the team captain approved their inclusion. An exception would be made to the requirement to attend Regionals (if remote) and Nationals if the person's doctor said they should not fly.

**No. of Years:** Some of a person's volunteer positions above overlapped during the same year.

\* No. of Calendar Years only counts an overlapping year once.

\*\* No. of Years in Each Position counts all years in each position whether overlapping or not.

**Leadership Roles:** I chose to limit my data to positions of leadership as it would be impossible to find all volunteers. So for example, I only include Committee Chairs rather than all committee members.

**List of Positions Included:**

Unpaid Staff Positions	Club Reg. Coord. (RC)
Nat'l. Div. Directors	College Reg. Coord. (RC)
Committee Chairs	Youth Reg. Directors (RD)
Board of Directors (BoD)	Coordinating Committee (CC)

**Positions:** There are hundreds of people who have volunteered their time over many years not included here.

**Non-Counted** Positions not counted include Club and College SCs, non-chair committee members, etc.
